

Sign Up Parties for the 2023 St. Anselm Bash

What is a Sign Up Party?

The Bash is the biggest fundraising effort to support our school. While the actual Bash event will take place in March 2023, one major component of the fundraising efforts, the Sign Up Parties, is kicking off NOW! These are parties that families host (meaning cover the cost for) for kids-only, adults-only, or both -- and the school positions these as sign up parties with a cost per person to attend. The goal is to confirm as many of these sign up parties as possible. They are of course fun to attend, but also to host.

Why Should I Host a Party?

It's a fun way to strengthen friendships & meet new people.

Parties can be targeted to kids, adults, or families - be creative!

All time spent counts as service hours.

And your monetary donation towards the party is tax deductible.

Plan on your own or with other families.

How Do I Sign Up to Host a Party?

Please use the online sign up form at www.stanselmbash.com by October 26th.
